

Look to trusted lender for your next auto loan

Now that you've had the opportunity to see all the new car models at the Columbus International Auto Show, you might be thinking about purchasing — and financing — your next vehicle.

A good place to start is by asking your auto dealer about financing opportunities offered through Huntington Bank. As the No. 1 auto lender in Ohio for 2010*, Huntington offers competitive auto loans for new and pre-owned vehicles, with terms available up to 75

months.

We also offer programs** that will help protect you in the event your vehicle is judged to be a total loss after an accident, or you involuntarily lose your job.

When you finance your car through Huntington, you have

chosen a bank that has 70 years of experience, working with more than 150 central Ohio dealers. We are focused on you, our customer, and will help you obtain the customized automobile financing that fits your unique situation.

We make it easy for you to

make online payments, or you can visit one of our more than 90 branches conveniently located throughout central Ohio. It's our goal to give you the best, most personal service possible.

To schedule an appointment with a personal banker, stop by your local Huntington Bank office, or call 1-800-480-2265 (BANK). Let us help you drive away in the new or pre-owned vehicle that you have always dreamed of owning.

A LOOK BACK: 2010 COLUMBUS INTERNATIONAL AUTO SHOW

There are always plenty of cool rides to drool over during the Columbus International Auto Show, as evidenced by these photos from the 2010 show. Don't miss your chance to check out this year's non-pedestrian rides.
