

■ **The Ohio State Bar Foundation (OSBF)** is a 501(c)(3) grantmaking organization and the largest Bar Foundation in the United States. We educate people on the rule of law and work to improve the justice system. We give grants and support programs that address specific legal needs, honor the accomplishments of the legal community, and bring together dedicated attorneys across the state who support furthering the OSBF's mission.

As the charitable arm of the Ohio State Bar Association (OSBA), the OSBF focuses exclusively on grantmaking, a Fellows Program, and an Awards Program. Each year, the OSBF awards more than \$750,000 to Ohio non-profits, who support our mission and work with the legal system and their communities.
