Are you and your
clients protected
from cyber security
threats?

Law firms are responsible for a multitude of client and employee data, making them perfect targets for a cyber attack. A cyber breach harms not only your practice and clients, but also your reputation. In the age of sophisticated data breaches, you need to protect your firm.

Protection Against a Cyber Attack

OBLIC Network Asset Protection covers privacy breach-related expenses. OBLIC also offers resources and tips to prevent a cyber data breach in the first place, protecting your revenue and reputation.

Cyber breach coverage is included, **free of charge**, with OBLIC's highly competitive insurance rates for both full-time and part-time practitioners.

Owned and endorsed by the Ohio State Bar Association, OBLIC has protected the reputations of our policyholders for 35 years. Let us protect yours.
