Well-known. Well-regarded.

*Well worth learning more about.*

**Confidence.** It's a feeling or belief you gain when you can rely on someone or something. It's what you aim to achieve with the clients you protect. And what we've achieved with the lawyers and law firms we've protected since 1979. It's what we're known for.

Make no mistake – there will always be disruptions in our industry. These disruptions can happen in many ways as commercial insurance carriers:

- Abruptly stop insuring Ohio law firms
- Change their underwriting approaches
- Drastically change their rating methodologies

OBLIC was founded 40 years ago to provide stability so your law firm is protected from these types of disruptions – risks to your practice. Insure with OBLIC and take less risk. Less risk means more confidence. More confidence leads to greater reward. Greater reward cements a solid partnership. For the life of your business. And for the life of ours.

## We are OBLIC.

We are 100% committed to protecting the interests of those who protect the interests of others.
